

Effective Leadership?

Effective Leadership?

- The ship's captain was later quoted in the New York Times as saying –

“When I give the order to abandon ship, it does not matter what time I leave. If some people want to stay, they can stay.”

Goal: Creating the Space for Committed Leadership

- Leadership Agenda: One World ~ One Health
- Leadership Models
- Leadership Development

- Issues, resources and suggested actions stated as questions to elicit contextual response
- No “yes / no” answers
